

C & System Programmers Association

Aug 08, 2019 C Programming Language, 170-Hour

Coursera

June 16, 2020 Machine Learning, Stanford Online

July 11, 2020 Neural Networks and Deep Learning

Aug 28, 2020 Improving Deep Neural Networks:
Hyperparameter tuning, Regularization and Optimization

Sep 04, 2020 Introduction to Tensorflow for AI, ML and DL

MIT edX

Aug 07, 2020 (6.00.1x) Introduction to Computer Science and Programming Using Python
• [hyperlink - List of Lecture Topics](#)

May 28, 2021 (6.00.2x) Introduction to Computational Thinking and Data Science
• [hyperlink - List of Lecture Topics](#)

freecodecamp.com

May 3, 2021 Scientific Computing with Python, 300 hours of coursework
